The Daily Bar

The Daily Bar

When the world goes nuts, make peanut butter (and a whole heap of other pantry staples). As a business largely built on bringing healthy snacks to the lives of busy, grab'n'go people; when the world slowed down, so did The Daily Bar. So they quickly expanded to their offering with The Daily Pantry; an online range of affordable organic staples and local brands and producers, to meet the slower, at home, times in the kitchen. Shop the Pantry via their website.

Braer

Braer

Braer continues to work with local farmers to source the most beautiful seasonal flowers for the home. Being a part of the movement of "slow flowers" is even more potent today. Braer is born of our mutual passion for nature's unsurpassable beauty. The joy of noticing each delicate, finite petal of a flower and the calm presence of each leaf, perfectly placed in space, is what draws us back each day. The way nature creates beauty in the unexpected. Sign up online for our weekly Friday flower run.
